Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Monday 12 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry with clear or sunny spells, but north cloudier.

This Evening and Tonight:
Remaining afternoon showers soon dying out to leave some late sunny then clear spells. Southern and eastern parts then dry with clear spells overnight but the north becoming cloudier with patchy light rain and drizzle through the early hours. Minimum temperature 9 deg C (48 deg F).

Tuesday:
Rather cloudy across northern and central parts at first with patchy light rain. However brighter conditions with sunny spells in the south and east developing more widely through the afternoon. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Western and northern parts rather cloudy with some patchy rain, especially Wednesday and Thursday. Otherwise dry with, especially in east, sunny spells and feeling warm in the light winds.
